Why not start a "habit" of buying *SCRIP* cards from us before you go shopping? They work and look just like a gift card. When you use a *SCRIP* card for a gift it is like you are giving *TWICE*. *SCRIP* cards maintain their full value; however, we get a rebate from their corporations. You can get cards from such stores as JC Penney, iTunes, Macy's, Starbucks, Walmart, Lowe's and from many more vendors and restaurants. You have the convenience of ordering online anytime or sending a paper order with payment to school on Mondays. As an added convenience we keep several of the most popular *SCRIP* cards from local stores in stock so that you do not have to wait for your *SCRIP* order to arrive. Please call (350-3394) or see Lisa Verdugo (in the cafeteria) if you have questions.

For Barbara Stahaker, may she rest in peace and for her husband Bill and their family, may they all feel God's love and comfort.
And for all of our needs and prayers that we carry silently in our hearts, that we remember to pray "thy will be done" and feel comforted by God's love and wisdom.

Blessed St. Joseph, foster father to Jesus and patron of our school, you guided the Child Jesus in ways of God the father. You watched over Jesus and protected him and his mother, Mary. Guardian of the Holy Family, be with us always. May your prayers gain for us the strength to resist temptation that we may grow in holiness and someday join the Holy Family with God the father in the eternal joy in Heaven.
